PETITIONING THE COURT

The defendant's mandatory drug screens are suspended based on the Court's determination that the defendant poses a low risk of future substance abuse.

CAUSE

Brian David Hill began supervision in the Western District of Virginia on November 13, 2014. The supervising officer reported that his initial supervision history has been challenging based on numerous mental and physical health conditions present with Mr. Hill.

From review of his history, substance abuse has not been an issue for Mr. Hill in the past. He suffers from a number of mental health issues including Autism, Delusional Disorder, Obsessive-Compulsive Disorder (OCD), Generalized Anxiety Disorder, and Post-Traumatic Stress Disorder, and he receives ongoing treatment related to these issues. It has been reported that several environmental factors have exacerbated his conditions, including imprisonment and attempts by the officer to obtain urine specimens for testing. The officer reported that due to his OCD, collecting urine specimens has been quite challenging due to his excessive hand washing.

The officer is recommending that the Mandatory Drug Testing condition be waived as there are no substance abuse issues identified in this case.

Respectfully submitted,

Michael L. Barr
Supervisory U.S. Probation Officer

Docket No. 1:13CR435-001

vs.

Brian David Hill

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By 'assistance of counsel', I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the Court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to the following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

The defendant's mandatory drug screens are suspended based on the court's determination that the defendant poses a low risk of future substance abuse.
